

Gardens of Oak Hollow Board Meeting

Brook Hollow Public Library

December 5, 2022

1. We are searching for someone to handle taking care of our sprinkler systems after Alice McKinney's retirement. We asked Robert Bruce who graciously agreed to serve in this capacity. However after looking for another replacement.

Tim Cutts has agreed to take on this responsibility.

2. Blaine Adams, the block captain on Shoal Run has accepted a great new job opportunity and is moving to Colorado. The board would like to thank him for his willingness to serve as block captain and for serving almost a year. So we are looking for his replacement on Shoal Run. Several people have expressed some interest and I am working on the replacement.

Terry Hill replaced Blaine as block captain. Villette Heimer has taken Terry's place on the design and review committee.

3. Bart has several issues to discuss. Some are informative and some are to spark conversation and thought during the next months. We don't expect to have a resolution tonight on all these issues. The board voted not to re-install a light at the front entrance.

4. Set the date and location for the next board meeting which will be our general meeting and the election of officers. We need a location that will allow space for residents to attend the election of officers. When is the library meeting room going to be available again.

The date was set to 3-13-23 at 6:00pm at the library.

5. Set the date for the Spring Fling and decide which street will sponsor and plan the fling. The spring fling date was set for 4-13-23 from 4-6 pm. We will have hors d'oeuvres instead of a meal. Drinks will be BYOB as always.
