A SMALL COMMUNITY WITH A BIG HEART

## Neighborly News

### Announcements

**4-6PM, Sunday, October 22**

#### Shadow Park South Commons

Grab your folding chairs and your favorite beverage and come catch up with your neighbors. If you would like to, bring an appetizer or dessert to share.

#### Don't Forget

It has been suggested that we come together and support some type of community project. Some ideas have been tossed out (e.g., collect toys for an agency;; conduct Santa deliveries for Elf Louise; hold sock drive for the homeless; etc.

Do you have ideas about what type of Community Project our Community you would like to see our Community support?

The *Fall Fling* will be a GREAT time to discuss ideas.

Anyone interested enough to step up to lead a project?

### Be Aware !

Last Thursday, October 12, I received this message from Adrith Hearon, 1210 Misty Creek.

"Just wanted to pass along to give the neighborhood a heads up....this was caught on our security cameras last night at 12:30am.

As soon as my phone alerted me of what the cameras detected, we turned on all outside lights and saw the man in between our vehicles. He had a flash light looking in the vehicles. Bob approached the man and then the man left.

Just wanted to pass along in case he was in any of the other neighbors' yards/vehicles."

## Veterans Day Survey

---

We have an amazing Community with a large number of Veterans for neighbors. I want to gather data (NUMBERS not NAMES) about our Veterans to write an article for our next Newsletter.

Hence, I created a short survey to gather this data. Here are the basic questions so that you know what is on the survey.

1. When did you move into the Gardens?  
pre 2000 / 2000-2010 / 2010-2020 / after 2020
2. Is any member of your household a military veteran?
3. If yes, which military service? USAF / USA / USN / Space Force / Coast Guard
4. Would you be willing to chat with me about your service?

Please go to this website to enter your data.

***Thank you for your participation!***

## Constitutional Amendments

---

### Early Voting

### October 23 to November 3

This year's November election isn't a presidential election and it does not include any federal offices, but there are 14 state constitutional amendments that voters must either approve or deny.

The propositions were sent to the ballot by state lawmakers and many will either create or alter state funds or affect taxes.

### ***What changes to you want in our Texas Constitution?***

Time to do a bit of homework so you can decide which of these 14 amendments you think should be approved.

As always, there are numerous websites on the internet to find discussions of each of these items. Unfortunately, in today's world, they seem to either lean "right" or "left". So find one of each and see which makes good rational sense to you.

To get you started, I found this PDF with the actual wording that should be on the ballot. (source: Texas Secretary of State)

***Your vote really does matter!***

spanned over a century, witnessing remarkable events, enduring challenges, and celebrating countless joys.

To those who had the pleasure of knowing her, Mary was the epitome of elegance and poise. Always impeccably dressed and composed, her demeanor radiated a quiet strength that was both comforting and inspiring. Her presence was a testament to the fact that strength does not always come from loud declarations, but often from silent resilience and an unwavering spirit.

Mary's gift was her ability to encourage. With an ever-present smile and kind words, she uplifted the spirits of many, whether they were members of her family, close friends, or even mere acquaintances. Her positivity was infectious, often illuminating even the cloudiest of days."
